47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please ensure that unbundled competition still continues, and allows local competition in the telecom loop.

I really appreciate my local internet Sonic.net providers evolutionary services, and the way the costs of long distance communications have been reduced. This couldn't have happened with out the deregulation of the 1980's and the old ATT hide bound way of charging for services.
